

Click & Collect

Please send the shelfmarks, the titles of the books, scans of your ID card (front and back) or ABI library card, and your telephone number by email to [bibliothek\[at\]abi.uni-freiburg.de](mailto:bibliothek[at]abi.uni-freiburg.de).

You will then receive an appointment to pick up the ordered books. Please also make an appointment to return books.

During the visit to the ABI to pick up or return books, you must wear a medical mask or respiratory protection according to FFP2, KN95, N95 or comparable standards that you have brought yourself. This must be appropriate, i.e. covering the mouth and nose and fitting tightly all round. In addition, all other corona-relevant distance and hygiene rules must be observed.

The loan period is 14 days and can be extended if there are no reservations.
